

## RSHGA – How to Start Competing at Highland Games

### Fees & Prizes Note:

(Check with secretary/handicapper for local arrangements):

Most events require athletes to pay to enter the games and usually have a 'per competition' small fee which is taken by the secretary / starter or handicapper.

These fees help the events pay the prize money to athletes who win placings.

Most events also count towards the RSHGA leagues: these build up points for athletes who are placed, growing as the season progresses and in October awards are made to the athletes highest up the leagues, 1<sup>st</sup>-4<sup>th</sup>. The RSHGA Registration fees help pay for the league prize money – only athletes with a full annual registration are eligible to league points and prize money
